Dear Friend:

I'd like to sit across the breakfast table from you and discuss issues facing our state - the economy, health care, education, and energy. I will be at Flapjacks and More in the Westport Shopping Center in Port Orange on March 10th. It is always nice to enjoy a good meal with friends prior to a day on the campaign trail.

For \$40 per person, I'd like to invite you to join me, enjoy a home-style breakfast, and discuss issues.

I hope to see you at Flapjacks and More.
